In his own words, Chris Herren tells how he nearly lost everything and everyone he loved, and how he found a way back to life. Powerful, honest, and dramatic, Basketball Junkie is a remarkable memoir, harrowing in its descent, and heartening in its return.

I was dead for thirty seconds. That's what the cop in Fall River told me. When the EMTs found me, there was a needle in my arm and a packet of heroin in the front seat. At basketball-crazy Durfee High School in Fall River, Massachusetts, junior guard Chris Herren carried his family's and the city's dreams on his skinny frame. His grandfather, father, and older brother had created their own sports legends in a declining city; he was the last, best hope for a career beyond the shuttered mills and factories. Herren was heavily recruited by major universities, chosen as a McDonald's All-American, featured in a Sports Illustrated cover story, and at just seventeen years old became the central figure in Fall River Dreams, an acclaimed book about the 1994 Durfee team's quest for the state championship. Leaving Fall River for college, Herren starred on Jerry Tarkanian's Fresno State Bulldogs team of talented misfits, which included future NBA players as well as future convicted felons. His gritty, tattooed, hip-hop persona drew the ire of rival fans and more national attention: Rolling Stone profiled him, 60 Minutes interviewed him, and the Denver Nuggets drafted him. When the Boston Celtics acquired his contract, he lived the dream of every Massachusetts kid—but off the court Herren was secretly crumbling, as his alcohol and drug use escalated and his life spiraled out of control. Twenty years later, Chris Herren was married to his high-school sweetheart, the father of three young children, and a heroin junkie. His basketball career was over, consumed by addictions; he had no job, no

skills, and was a sadly familiar figure to those in Fall River who remembered him as a boy, now prowling the streets he once ruled, looking for a fix. One day, for a time he cannot remember, he would die. In his own words, Chris Herren tells how he nearly lost everything and everyone he loved, and how he found a way back to life. Powerful, honest, and dramatic, *Basketball Junkie* is a remarkable memoir, harrowing in its descent, and heartening in its return.

Traces the author's journey from a promising high-school basketball star to a recovering drug addict, describing his struggles with addiction throughout his college and NBA years, the overdose that nearly cost him everything and his subsequent work as a mentor for young athletes. 50,000 first printing.

I was dead for thirty seconds. That's what the cop in Fall River told me. When the EMTs found me, there was a needle in my arm and a packet of heroin in the front seat. Powerful, honest, and dramatic, *Basketball Junkie* is a remarkable memoir, harrowing in its descent, and heartening in its return.

A profile of Fall River's Durfee High School basketball team is set against the backdrop of a once-prosperous textile mill town turned poor and disheartened and follows the team's annual rekindling of community spirit. Reprint.

Josh Hamilton was the first player chosen in the first round of the 1999 baseball draft. He was destined to be one of those rare "high-character" superstars. But in 2001, working his way from the minors to the majors, all of the plans for Josh went off the rails in a moment of weakness. What followed was a 4-year nightmare of drugs and alcohol, estrangement from friends and family, and his eventual suspension from baseball. *BEYOND BELIEF* details the events that led up to the derailment. Josh explains how a young man destined for fame and wealth could allow his life to be taken over by drugs and alcohol. But it is also the memoir of a spiritual journey that breaks through pain and heartbreak and leads to the rebirth of his major-league career. Josh Hamilton makes no excuses and places no blame on anyone other than himself. He takes responsibility for his poor decisions and believes his story can help millions who battle the same demons. "I have been given a platform to tell my story" he says. "I pray every night I am a good messenger."

Learn the Inspiring Story of the Miami Heat's Legendary Power Forward Chris Bosh! Read on your PC, Mac, smartphone, tablet or Kindle device! In *Chris Bosh: The Inspiring Story of One of Basketball's Most*

Dynamic Power Forwards, you will learn the inspirational story of one of basketball's greatest modern power forwards, Chris Bosh. Chris Bosh played a key role as a member of the Big Three that captured two NBA titles between 2010-2014. It was one of the most historic and dominant runs of a team as few could parallel the combined firepower of LeBron James, Dwyane Wade, and Chris Bosh. Before joining the Heat, Bosh had an illustrious career as a member of the Toronto Raptors. In this book, we'll explore how Chris Bosh became the player we remember him as, and his inspirational story to entering the NBA. Here is a preview of what is inside this book: Childhood and Early Years High School Years NBA Career: Highlights including his First All-Star Season, Final Season in Toronto, The Big Three, Back-to-Back Championships, and the Post Big Three Era International Competition Chris Bosh's Personal Life Bosh's Impact and Legacy An excerpt from the book: One of the rare phenomena that have happened in the NBA throughout its long history is when many talented athletes come together to try their hand at getting drafted in the same draft class. Some of the notable ones include the class of 1985, which included the likes of Patrick Ewing, Chris Mullin, Karl Malone, and Joe Dumars, among others. The class of 1998 had All-Stars Antawn Jamison and Rashard Lewis together with future Hall of Fame players Dirk Nowitzki, Paul Pierce, and Vince Carter. But two more draft classes stand out compared to some of the best rookie batches in league history. The 1984 draft class included the greatest of all time, Michael Jordan, two-time champion Hakeem Olajuwon, Hall of Famer Charles Barkley, and all-time assist leader John Stockton. The other one, which is regarded as perhaps the greatest draft class of all time, is the 1996 class, which saw the likes of Kobe Bryant, Allen Iverson, Ray Allen, Steve Nash, and Peja Stojakovic, among other greats. The 1996 draft class itself collectively has 58 All-Star appearances. But if there is a draft class that has the potential to trump all the others, it would be the class of 2003. The fabled 2003 NBA Draft class has long been celebrated as one of the best batches of league hopefuls to have ever tried their hand at getting picked by a franchise. Players like LeBron James, Carmelo Anthony, Dwyane Wade, David West, and Chris Kaman are among the best that the class had to offer. While James, Anthony, and Wade are the three players that first come to mind when talking about the best of that class, a power forward named Chris Bosh silently and steadily became the best big man of that draft class. In the vein of *The Glass Castle*, *Breaking Night* is the stunning memoir of a young woman who at age fifteen was living on the streets, and who eventually made it into Harvard. Liz Murray was born to loving but drug-addicted parents in the Bronx. In school she was taunted for her dirty clothing and lice-infested hair, eventually skipping so many classes that she was put into a girls' home. At age fifteen, Liz found herself on the streets. She learned to scrape by, foraging for food and riding subways all night to have a warm place to sleep. When Liz's mother died of AIDS, she decided to take control of her own destiny and go back to high school, often completing her assignments in the hallways and subway stations where she slept. Liz squeezed four years of high school into two, while homeless; won a New York Times scholarship; and made it into the Ivy League. *Breaking Night* is an unforgettable and beautifully written story of one young woman's indomitable spirit to survive and prevail, against all odds.

I wasn't afraid of death. How could I be? I lived under death's shadow every day. When you swallow eighty Vicodin, twenty sleeping pills, drink a bottle of vodka, and still survive, a certain sense of invulnerability stays with you. When you continually use drugs with the kind of reckless determination that I did, the limit to how much heroin or crack you can ingest is not defined in dollar amounts, but in the amounts your body can withstand without experiencing a seizure or respiratory failure. Yet at the end of every binge, every night of lining up six, seven, eight crack pipes and hitting them one after the other bam! bam! bam! every night of smoking and snorting bag after bag of heroin . . . after all of that, when you still wake up to see the same dirty sky over you as the night before, you start to think that instead of dying, maybe your punishment is to live---to be stuck in this purgatory of self-abuse and misery for an eternity. Sometimes you start to think that death would come as a blessed relief. Toward the end, I found myself contemplating death again. Only this time I wasn't going to leave it to chance. I was going to buy a gun, load the thing, place the barrel in my

mouth, and blow my fucking brains out. I sat on my parents' sofa as I pondered this. All I needed was a gun. And then all-- of my problems-- would be solved.

In *The Art of a Beautiful Game*, Chris Ballard, the award-winning *Sports Illustrated* writer who has covered the NBA for the past decade, goes behind the scenes to examine basketball in ways that will surprise even die-hard fans. An inveterate hoops junkie who played some college ball, Ballard sits down with the NBA's most passionate, cerebral players to find out their tricks of the trade and to learn what drives them, taking readers away from the usual sports talk radio fodder and deep into the heart of the game. Ballard talks to Dwight Howard, a prolific shot-blocker, about the enervating feeling of meeting another man at the height of his leap; challenges Steve Kerr to a game of H-O-R-S-E to understand the mentality of a pure shooter; reveals the roots of Kobe Bryant's unmatched killer instinct; and spends time with LeBron James to better understand both his mental game and his seemingly unlimited physical skills. He tracks down renowned dunkers from Dominique to Shaq to explore the impact of the dunk on the modern game, shadows Shane Battier during his preparations to defend LeBron, takes lessons from a freethrow shooting guru who once hit 2,750 in a row, and attends an elite NBA training camp to feel the pain that turns a prospect into a pro. Packed with lively characters and basketball history, and grounded in superb writing and the reportage that is the hallmark of *Sports Illustrated*, *The Art of a Beautiful Game* is an often witty, always insightful look at the men like Steve Nash, Yao Ming, and Alonzo Mourning who devote themselves to this elegant and complicated sport. It ultimately provides basketball fans what they all want: an inside read on the game they love.
