Archibald "Arch" Stan was a local cop in Midian, Tennessee that was good at his job, good at being a husband, and exceptionally good at hiding his disappointment at not being able to figure out what was missing in his life that made it all seem so empty. Lafayette Hendricks looked like a drifter, a broken-down hitchhiker blown through Midian on the prevailing winds. When Arch catches him in a fight on the town square, though, things start to get weird, fast, because the guy he's fighting doesn't die when he gets shot. And Hendricks is carrying a sword. Pretty soon, Arch's whole life is turned upside down by Hendricks's revelation that there's a secret world operating under the one he's been living in his whole life - one filled with demons, chaos, and unspeakable evils, one of which is already in town, stirring trouble. And if the two men don't band together to keep watch on the darkness falling on Midian, then this small town might just get swallowed up by the forces of evil - with the rest of the world to follow shortly behind.

In Running with the Demon, Terry Brooks does nothing less than revitalize fantasy fiction, inventing the complex and powerful new myths of the Word and the Void, good versus evil still, but played out in the theater-in-the-round of the " real world " of our present. On the hottest Fourth of July weekend in decades, two men have come to Hopewell, Illinois, site of a lengthy, bitter steel strike. One is a demon, dark servant of the Void, who will use the anger and frustration of the community to attain a terrible secret goal. The other is John Ross, a Knight of the Word, a man who, while he sleeps, lives in the hell the world will become if he fails to change its course on waking. Ross has been given the ability to see the future. But does he have the power to change it? At stake is the soul of a fourteen-year-old girl mysteriously linked to both men. And the lives of the people of Hopewell. And the future of the country. This Fourth of July, while friends and families picnic in Sinissippi Park and fireworks explode in celebration of freedom and independence, the fate of Humanity will be decided. . . . A novel that weaves together family drama, fading innocence, cataclysm, and enlightenment, Running with the Demon will forever change the way you think about the fantasy novel. As believable as it is imaginative, as wondrous as it is frightening, it is a rich, exquisitely-written tale to be savored long after the last page is turned.

From Million-Selling Author Robert J. Crane...Her mother is missing. A psychotic beast is stalking her. How will she escape?AloneSienna Nealon was a 17 year-old girl who had been held prisoner in her own house by her mother for twelve years. Then one day her mother vanished, and Sienna woke up to find two strange men in her home. On the run, unsure of who to turn to and discovering she possesses mysterious powers, Sienna finds herself pursued by a shadowy agency known as the Directorate and hunted by a vicious, bloodthirsty psychopath named Wolfe, each of which is determined to capture her for their own purposes...UntouchedStill haunted by her last encounter with Wolfe and searching for her mother, Sienna Nealon must put aside her personal struggles when a new threat emerges

A veteran ' s moment of rage leads to a chase through the bayou in this tale of " jackhammer suspense " by the New York Times –bestselling author of Swan Song (Kirkus Reviews). Two decades after he finished serving his country in the jungles of Southeast Asia, Dan Lambert still pays the price. As he hustles for construction work in the heat of a brutal Louisiana summer, Dan tries to ignore the pounding in his head—a constant reminder of the Agent Orange –caused leukemia which will soon end his life. And now the bank wants to repossess his truck. His attempt to reason with the loan officer does not get him far. Dan loses himself in rage, and for a moment is back in the jungle again. When he comes out of his bloodlust, he has shot the banker through the chest. There is nothing to do but run. On his trail are two peculiar bounty hunters: a onetime Siamese twin and a heavyset Elvis impersonator. To save his own life, Dan is going to have to remember why it was worth living in the first place.

Shows how changes in work, family structure, women’s roles, and other factors have caused people to become increasingly disconnected from family, friends, neighbors, and democratic structures--and how they may reconnect.

Moses is pictured as idealist reformer, and political manipulator as his rise to power and eventual domination of New York State politics is documented

Ten years ago, Spenser helped a teenage girl named Mattie Sullivan find her mother's killer and take down an infamous Southie crime boss. Now Mattie is a college student with a side job working for the iconic private eye, and she dreams of being an investigator herself. When Mattie's childhood friend from the South Boston housing projects, Chloe Turner, is found dead, she decides to take on the case. Soon Spenser and Mattie find ties between Turner and dozens of other girls from poor families to an eccentric billionaire with a massive home along Commonwealth Avenue. The man owns properties and businesses throughout Massachusetts with connections to local politicians, the state house, and beyond. Mattie unravels a massive sex-trafficking ring that will take them from Boston to the Bahamas.

Instant New York Times Bestseller "May this book cast its spell on all of us, restore to us some memory of our most warrior and softest selves." —The New York Times Book Review " A new kind of epic...A grand achievement...While The Prophets' dreamy realism recalls the work of Toni Morrison...its penetrating focus on social dynamics stands out more singularly. " —Entertainment Weekly A singular and stunning debut novel about the forbidden union between two enslaved young men on a Deep South plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love, which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a climactic reckoning, The Prophets masterfully reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love.

From #1 New York Times bestselling author Robert Beatty comes a spooky, thrilling new series set in the magical world of Serafina. Move without a sound. Steal without a trace. Willa, a young nightspirit of the Great Smoky Mountains, is her clan's best thief. She creeps into the homes of day-folk in the cover of darkness and takes what they won't miss. It's dangerous work—the day-folk kill whatever they do not understand. But when Willa's curiosity leaves her hurt and stranded in a day-folk man's home, everything she thought she knew about her people—and their greatest enemy—is forever changed.
