Amazon.co.uk:Customer reviews: Doc (Burnout Book 5)

While I found the book was too short the story was pretty good. I listened/read all 5 books only 3 made the cut. Sadly Hawk and Easy didn't get the best stories. I like Izzy because she was a really strong, no nonsense woman. I loved how she stood up to Doc and made things happened.

What can I say, Dahlia West has me hooked. I am absolutely obsessed with the Burnout series. I was a little unsure of the first one because it was so vulgar.
