Samantha is a stranger in her own life. Until the night she disappeared with her best friend, Cassie, everyone said Sam had it all???popularity, wealth, and a dream boyfriend. Sam has resurfaced, but she has no recollection of who she was or what happened to her that night. As she tries to piece together her life from before, she realizes it's one she no longer wants any part of. The old Sam took "mean girl" to a whole new level, and it's clear she and Cassie were more like best enemies. Sam is pretty sure that losing her memories is like winning the lottery. She's getting a

second chance at being a better daughter, sister, and friend, and she's falling hard for Carson Ortiz, a boy who has always looked out for her???even if the old Sam treated him like trash. But Cassie is still missing, and the facts about what happened to her that night isn't just buried deep inside of Sam's memory???someone else knows, someone who wants to make sure Sam stays quiet. All Sam wants is the truth, and if she can unlock her clouded memories of that fateful night, she can finally move on. But what if not remembering is the only thing keeping Sam alive?

Timothy Renner's book, "Beyond the Seventh Gate", explored the history and mysteries of the infamous Toad Road - an area in York County, Pennsylvania which is home to a variety of paranormal activity. "Don't Look Behind You" expands on that volume,

Online Library Dont Look Behind You And Other True Cases Crime Files 15 Ann Rule

presenting more cases of strangeness from the area. Renner's continuing research has brought forth more stories and new witnesses describing bigfoot attacks, UFOs, venomous snakes, Mothman, orbs, buried treasure, and even a creepy Toadman lurking in the nearby creek. To these stories, Renner adds his own experiences of oddities, weird synchronicity, rare animals, unexplained lights, and other high strangeness. "Don't Look Behind You" serves as a companion volume to "Beyond the Seventh Gate" - the books can be read independently. It is not required that you read "Beyond the Seventh Gate" before reading "Don't Look Behind You".

You, a novel featuring Kendra Michaels—hired gun for both the CIA and FBI. A serial killer is on the loose in San Diego with a most unusual M.O. With each kill, the perpetrator leaves behind mystifying random objects. In this confusing array of unrelated evidence, the one thing that is clear is that the murders all have one characteristic in common: they all require the specific skills of Kendra Michaels, hired gun for both the CIA and FBI. Kendra, who was blind for the first twenty years of her life, gained her sight through a revolutionary surgical procedure and now uses her acute powers of observation to assist in cases all over the United States. FBI investigators soon make a startling discovery: the left-behind objects are actually souvenirs of other unsolved serial murder cases from around the country. And the new crimes feature “ holdback ” characteristics never disclosed to the general
