A vivid visual record of America's most popular pickup trucks The most complete history available of Ford's greatest pickup A comprehensive compilation of detailed specifications and photos of over 50 years of Ford pickups A year-by-year review of the Ford F-series pickups Detailed information on prices and options Examines in detail both limited edition and mass-produced F-series pickups Loaded with color photos including Lightnings, Harley-Davidson and King Ranch F-series. This book examines all aspects of the history of one of Ford Motor Company's greatest successes: the F-series pickups. Complementing a detailed text examining annual model changes, options, specifications and the unique appeal of Ford's limited-edition and high-performance pickups are hundreds of illustrations, nearly all in color.

Branding Masculinity examines two ideologies of masculinity – one typifying rural agricultural areas and the other found in urban, business settings. Comparisons are made between these two current forms of masculinity and both similarities and differences are identified. Six product categories compose the Constellation of Masculinity for both groups. Hirschman selects a masculine prototype brand from each category and presents a detailed analysis of the images, language and marketing actions used to create the brand's masculinity over time. Using her method, marketers for other brands will be equipped to

enhance the masculine status of their brands, as well. Branding Masculinity proposes that masculine brands are made, not born. Masculinity is an enduring cultural ideal which can be attached to a variety of products and brands by the appropriate use of symbols, icons and images. Scholars from various disciplines within the fields of branding, marketing, public relations and corporate identity will see this book as vital in continuing the academic discourse in the field. It will serve as a respected reference resource for researchers, academics, students and policy makers, alike.

Get Fords complete story in Ford Tough: 100 Years of Ford Trucks and see why they've dominated the truck market, selling 1.5 million trucks every year in the US alone. In July 1917 Ford Motor Company introduced a one-ton chassis for commercial trucks, marking what many historians feel was its official entry into the dedicated truck business. Sure, after-market pickup beds could be added to a Model T car to convert it to a pickup, but with the debut of the rugged Model TT truck chassis, Ford was firmly in the truck market. Eight years later, Ford introduced its first factory-produced pickup, a sturdy half-ton job the public loved. During the century that has passed since that first Ford truck chassis, the F-series has become the best-selling truck in the world, and the best-selling vehicle of any type in America. Ford Tough: 100 Years of Ford Trucks tells the entire Ford truck story from the very beginning, when Ford got its start in truck production. This book provides the history of the wide array of models Ford has built over the past century, including the Model A roadster pick-up, stylish 81C pickups, legendary 1948 F-1, Bronco, Courier, Ranchero, and Econoline.

When anyone thinks of motorcycling, whether they are enthusiasts or only casually interested, the name Harley-Davidson immediately comes to mind. Harley-Davidson is among the oldest surviving motorcycle manufacturers; the company began in 1903 and continues to this day. As you can imagine, over the course of more than 100 years, the company has seen prosperous times as well as lean times, changes in focus and direction, evolution and revolution. All of that leads to a lot of company history and trivia. American Iron Magazine associate editor Tyler Greenblatt has compiled 1,001 Harley-Davidson facts into this single volume, with subjects ranging from the historic powertrains to pop culture to Harley-Davidson as a company and manufacturer. Facts begin with the early years, when a motorcycle was not much more than a bicycle with an engine attached, to the war efforts of World War I, when 15,000 were put into service. During the 1920s, Harley-Davidson grew into the largest manufacturer in the world, and that momentum helped carry it through the Great Depression and into World War II. Postwar development and AMF ownership are also covered in detail, as well as the restructuring and revival of the brand in recent years. Whether you're a casual rider, racer, or restorer, Harley-Davidson enthusiasts will be sure to find something in this book for that next conversation with fellow hobbyists. This book will keep Harley-Davidson enthusiasts entertained for hours, and is a great edition to any motorcycling library. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial}

This book presents a fresh approach to poverty alleviation by bridging the fields of international development and social entrepreneurship. The authors present a six-step model for developing an IP business positioning strategy that allows developing country producers to position themselves better as owners of retail brands in foreign market countries. Readers will learn how producers can control the supply chain, including distribution to retail stores. Focusing on Africa and least developed countries (LDCs), the authors demonstrate methods of utilizing intellectual property tools, producer ownership, market positioning, and branding for lucrative outcomes. Extensive research provides readers with a thorough understanding of what it means to work smarter in a developing business, while a rich set of international cases offers insight into the practical applications of brand positioning, trademarks, and licenses. With a dozen online workbooks to outline methodology, skills, tools, and case studies, Social Entrepreneurship for Development will be a valuable resource for any student of social entrepreneurship or international development.

Previous Reviews: You have a great writing style, very credible, and entertaining. Those were dangerous times. Almost all of the guys are gone. A great book!... —Doyle Brunson, Poker Hall of Fame, author. He's as good a writer as he is a player. When it comes to poker tales...Johnny Hughes is your man.... —Anthony Holden, London, President of the International Federation of Poker, author ... a captivating raconteur and avid historian...brings them to life with a unique flair and panache...(He) paints word pictures with witty, lush brush strokes reminiscent of Tom Wolfe... —Paul "Dr. Pauly" McGuire, author ..the William Manchester of poker historians...a Hughes narrative is like lighting a lantern into the darkest recess of poker's subculture...provides the very best portrait of these unique real-life characters of anyone on record... —Nolan Dalla, Media Director. World Series of Poker, author ...told with the authenticity and the knowledge that only a true road gambler could possess...A highly enjoyable read.. —Anthony Kelly, Editor, Player Europe Magazine, Dublin, Ireland. www.JohnnyHughes.com

"JUST A WEEK AGO" Savon and Ra-Born are brothers intent on making it big. They choose the fast lane of the streets to reach their goal of being famous rappers. Living by the sword, they learn the hard way that it truly does have a double edge. "THE PAPER BOY" Ebon is a young partner in an architect firm, who is left restless by dreams of a beautiful woman. When his firm is bought out, he learns that the real jewel is not money, but the object of his dreams. "360" Coming of age is one thing, but what Omar has in mind is his next come up. Ultimately finding himself on a path of destruction, he looks within to find his answers. The fast paced full circle account in this collection that is gritty and thought provoking.

Anita is only a year away from completing her doctorate degree when Prince walks into her life. Will this ambitious street hustler derail her plans for success? Leah and Dropp have been inseparable since they were teenagers, but when Dropp gets caught up and goes to prison, Brit steps in to take his place. Brit has left the game, and with him, Leah finds stability and comfort. Who will she choose once Dropp is back on the streets? Precious' life takes a good turn when a young hustler pulls her out of the projects and teaches her a skill that will get her money forever. Her glamorous life might be short-lived, though, if her brothers, Truck and Cadillac, have anything to say about it. These women's lives are at the turning point. Will any of them come out on top?
