just a few things you will learn how to do in this top-selling book: · Sign up for Facebook (it's free!) and create a new account · Use Facebook on your smartphone, tablet, or computer · Configure Facebook's privacy settings to keep your personal information private · Discover how to avoid fake news posted in your News Feed · Find out what you should-and shouldn't-share on Facebook · Find old friends who are also on Facebook · Discover how best to use Facebook to keep in touch with your kids and grandkids · Use the News Feed to discover what your friends and family are up to · Update your friends and family on your current activities

Abram shows you how to use Facebook to plan events, connect with friends, share photos, and more! This guide makes it easy to get set up, keep your information safe, create groups, and stay connected, even from your mobile devices.

Do you realize how much your professional success, your income, and even your personal relationships depend on your ability to persuade, influence, and motivate other people? Yet many of us continue to use outdated techniques for convincing others...or worse yet, have no technique at all. Kurt Mortensen, through his Persuasion Institute, has sought out and studied the world's top persuaders, and with his specially formulated Persuasion I.Q.

Read Book Facebook User Guide

assessment—the most comprehensive persuasion resource available today—he lets readers in on the essential habits, traits, and behaviors necessary to cultivate their natural persuasive abilities. Concentrating on the 10 major Persuasion I.Q. skills, the book allows readers to determine their own current Persuasion I.Q., helping them to identify their strengths and weaknesses, and starting them down a path to enormous success and wealth. The book reveals powerful techniques that will enable them to: * read people quickly * create instant trust * get others to take immediate action * close more sales * win over clients * accelerate business success * earn what they're really worth * influence others to accept their points of view * win negotiations * enhance relationships * and—most important—hear the magical word "yes" more often! Whether you are selling a product, presenting an idea, or asking for a raise, persuasion is the magic ingredient. This powerful, life-changing book will transform anyone into a persuasion genius.

With billions of pictures and videos, posts and status updates, it is not a surprise that most businesses are now on Facebook trying to find different and unique ways to reach out and connect with this vibrant community. Whether it is a local or enterprise level brand, "Like us and follow-up on Facebook" has become the common mantra.
