She hasn't wanted to marry...until that handsome Texan shows up. Her heart skips a beat, and when he proposes, a hasty marriage follows. What ensues, however, is a clash of culture and a battle of wills--and it's clear they both mistook instant attraction and infatuation for love. As their marriage loses its sparkle and fills with disillusionment, Todd and Maggie must determine what is worth fighting for. He dreams of a farm. Maggie wants to fulfill the family tradition with her rose perfumes. Todd's mother, however, has entirely different plans for her son that do not include Maggie. In light of their hasty marriage and mistaken dreams, is there any hope of recapturing their love and building a future together?

siblings Enoch and Taylor Bestman arrive, the discovery that Taylor is a lady doctor has the town up in arms. Especially Karl Van der Vort, the town blacksmith, who becomes the first patient...against his will. Though hesitant to believe in Taylor's doctoring skills, Karl finds himself oddly protective of this surprising woman who dares to drive about town on her own, wearing the color red, for heaven's sake! Taylor, on the other hand, wants only to prove that doctoring is her life's calling, despite the town's opposition. The result? Pride meets attraction head-on, and sparks begin to fly.

Another unforgettable heroine! Like a dandelion in the wind, Hope Ladley blows from one farm to the next, helping cook for the field hands during the harvest. Illiterate and often twisting cliches and Bible verses into mind-boggling observations, Hope leaves widower Jakob Stauffer baffled by her unconventional ways. But her sunny disposition and unstinting love make changes of a different kind around the place. His little daughter and the pregnant sister he's shielding from an abusive husband adore Hope, and things are getting accomplished even if Hope's methods are unique. Then Jakob's brother-in-law shows up and threatens the newfound peace and happiness of the farm. With Jakob's future uncertain and his heart tangled, can the farmer convince Hope to take root and remain as his wife?

The death of her husband forced Garnet Wheelock to become a mail-order bride. The torturous ship voyage was eclipsed only by the cruelty of her master in the New World of Virginia. Can the Lord weave two broken lives together and create a future stronger than the past that haunts them?

Laugh-Out-Loud Historical Fiction! Ruth Caldwell has always tried to live up to her mother's expectations of what a lady should be...often with less-than-impressive results. But when she's forced to journey west to meet the father she's never seen, Ruth hopes that this might be the place she'll finally fit in. But her arrival brings about more mayhem than even Ruth is used to. She soon meets Josh McCain, the son of her father's business partner, but discovers some startling news: Her father passed away years ago. And though Josh urges Ruth to claim her inheritance, he grows suspicious of something more sinister at hand when her "accidents" seem to go beyond Ruth's normal bumbling ways and leave her very life in danger.

Book 1 of Heirs of Acadia, continuing the story told in the bestselling Janette Oke and T. Davis Bunn Song of Acadia series. Erica Langston's comfortable home and loving family living near Washington, D.C., carry no outward hint of the sorrows and fears faced by her Acadian forebears, but she will soon discover that similar determination and fortitude will be required of her. When the British once again invade the nation's capital and leave death and destruction in their wake, Erica is left to deal with the creditors circling around the crumbling family business. It seems her only recourse is to travel to England to collect on outstanding debts held in British banks. Arriving in London at the home of the United States ambassador, Erica is gradually immersed in a secret mission that brings her face-to-face with her most feared and reviled enemy. She discovers that Gereth Powers is part of a group of Christian activists headed up by William Wilberforce himself. Along the way, Erica comes to realize her faith has been more
