A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

The birth of a Grand Prix team does not occur every day -- or every season for that matter. Formula 1 is an extremely difficult business to break into, and very few new arrivals survive beyond their first year. That's why the racing world took note in 1997 when a new team bearing the name of race legend Jackie Stewart gained a foothold in the sport. The team has, in fact, been in the news since 1996, when Stewart and his son, Paul, first announced their intentions. Racing Stewart tells the story of this remarkable adventure, charting in full for the first time ever, the birth of a Grand Prix challenger. Hamilton and Nicholson were granted unparalleled access to the team from Stewart's initial decision, giving them a behind-the-scenes look at the peaks and valleys that are an inevitable part of gaining acceptance in this ruthless sport.

Learn facts about automobiles such as how car technology has evolved from steam-powered to todays high-tech speed machines and how the various components work. Contains glossary.
