One of the most popular pickup trucks to ever hit the highways and byways was the compact-sized Ford Ranger pickup that was in production from 1983 through 2011. During that twenty eight year period more than 6 million of them were produced and many of them are still working today. Covers all models of the Ranger from the XL to the sporty Splash, 2-wheel drive and 4-wheel drive models from the earliest days through to the last days when Ford decided to end production. Includes information about standard and optional equipment, specifications and other pertinent facts, over 300 photographs, and also includes Ford's compact-sized sport utility vehicle, the Bronco II, which was based on the Ranger platform. The Ford Motor Company is once again considering producing a small pickup truck like the Ranger to be marketed throughout North America.

The Ford Bronco is a sport utility vehicle that was produced from 1966 to 1996, with five distinct generations. The Bronco permanently entered American popular culture on June 17, 1994, when a white 1992 model owned and driven by Al Cowlings with O. J. Simpson, who was wanted for the murders of his ex-wife and her friend, attempted to elude the Los Angeles Police Department in a low-speed chase, which was nationally televised and viewed by millions nationwide. This is complete story from conception through discontinuation in 1996, told by historian (and well-known "Ford guy") Paul McLaughlin utilizing his large collection of photographs, brochures, ads and other promotional material. Follow the Bronco's various incarnations from a small sport utility vehicle of the 1960s and 1970s into the larger full-size Bronco of the 1980s and 1990s, special models like the "Bill Stroppe Edition", "Eddie Bauer Specials", the Bronco II and other juicy tidbits like the Bronco concept vehicle that Ford took on the car show circuit in 2005 (which got Bronco enthusiasts so excited that Ford was going to add a Bronco vehicle to their lineup once again). Also covered are the Broncos that were raced in off-road desert racing, Bronco toys and other collectibles, specification sheets, production numbers, and other interesting facts. Finally, a book for all Bronco enthusiasts!

Models covered: Ranger pick-ups and Bronco II's, 1983 thru 1989.
