Part of a popular Stagecoach route has been declared a no-go zone - after mindless vandals smashed bus windows four nights in one week. Yobs are thought to have shot the glass with an air rifle ...

The author explores the role of transportation in shaping the American West, covering planes, trains, and automobiles, in a richly illustrated study that examines the interconnections between society and modes of transportation, the development of the American highway and rail systems, waterways, and more. (Transportation)

Softcover + DVD in boxed set: Series 2: Going Places includes: The Bus Ride, The Train Station, The Airport

Photographs accompany sixteen real-life stories of teenagers who describe in their own words a journey that changed their lives.

Students will enjoy this travel-themed packet, carefully curated for the reading ability of early learners. They will discover new things, learn new words, and show what they know. The comprehension questions will help them review and analyze the passages as well as words that may be new to them. Watch their reading, writing, and vocabulary skills improve with each reproducible single-page lesson.

Whether families prefer to sleep in tepees in Oregon's high desert, attend an outdoor institute on the Olympic Peninsula, or ride a boat to a remote getaway in Stehekin, *Going Places* tells parents all they need to know to plan a vacation with kids in Washington, Oregon, Northern Idaho, or British Columbia. This detailed travel guide recommends more than 250 places to eat, roadside attractions, and what to see and do once you reach your destination. All of the places listed have been reviewed and recommended by parents who sought out the most family-friendly places in the region. This newly revised guide also features a greatly expanded British Columbia section.

Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read-alikes with this detailed and expertly constructed guide.
