(single copy included; additional copies can be ordered); 30 Problem-Solving Activities (in digital and transparency formats); Game Boards; and digital resources (teacher resources, test preparation, problem-solving activities, and student reproducibles).

The second edition includes updates and insights on current research and pedagogical practice that have developed over the last decade. This new edition of Teaching Pronunciation - undoubtedly the gold standard for pronunciation methodology texts - has been revised to reflect recent research into the sound system of North American English, as well as new practices in pronunciation pedagogy. Audio CDs with additional examples are now packaged with the book.

Building Vocabulary provides a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Over 90% of English words of two or more syllables are of Greek or Latin origin. Instead of learning words and definitions in isolation, students learn key roots and strategies for deciphering words and their meanings across all content areas. Building Vocabulary: Foundations for grades 1-2, empowers beginning readers to learn words by identifying word parts or word families that share common sounds. Students will build vocabulary through the use of poetry, word endings, and simple roots. Building Vocabulary: Foundations: Level 2 kit includes: Teacher's Guide; Student Guided Practice Book (Each kit includes a single copy; additional copies may be ordered in quantities of 10 or more); Assessments to support data-driven instruction; and Digital resources including modeled lessons, 50 bonus activities, and more.

This full-color Student Guided Practice Book has been created specifically to support a fifth grade reading level and includes reading passages, comprehension activities, writing activities, and daily comprehension review.

In a Fresh Look at Phonics, Wiley Blevins, author of the blockbuster Phonics from A-Z, explains the 7 ingredients of phonics instruction that lead to the greatest student gains, based on two decades of research in classrooms. For each of these seven must-haves, Wiley shares lessons, routines, word lists, tips for ELL and advanced learners, and advice on pitfalls to avoid regarding pacing, decodable texts, transition time, and more. A Fresh Look at Phonics is the evidence-based solution you have been seeking that ensures all students develop a solid foundation for reading.

This full-color Student Guided Practice Book has been created specifically to support a fourth grade reading level and includes reading passages, comprehension activities, writing activities, and daily comprehension review.

Shows students how many English words are built from units (word families and word patterns) that contain predictable sounds. Uses daily activities to reinforce this important concept in predictable, meaningful ways.
