House Of Representatives Section 2~~

Article 1, Section 2, Clause 2: Members of the House must be American citizens for seven years. Change: They must be an American citizen for at least ten years. I infer that the Founding Fathers created this clause because then, after living in America for a decent amount of time would understand American government better.

Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1904 edition. Excerpt: ... APPENDIX THE CONSTITUTION OF THE UNITED STATES OF AMERICA. We The People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquillity, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America. Chisholm v. Georgia, 2 Dall., 419; McCjallo h._r-_State_ef_Marjland et al., 4 Wh., 316; Brown et als. v. Maryland, 12 Wh., 419; Barron v. The Mayor and City Council of Baltimore, 7 Pet., 243; Lane County . Oregon, 7 Wall., 71; Texas v. White et al., 7 Wall., 700. ARTICLE I. Section I. All legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives. Hayburn's Case (notes), a Dall., 409. Section 2. The House of Representatives shall becomposed of Members chosen every second Year by the People of the several States and the Electors in each State The original draft of the Constitution, engrossed on five sheets of parchment and signed by the framers, is preserved in the Department of State, Washington, in a fireproof safe. It is in the custody of the Librarian and Keeper of the Rolls. A facsimile, somewhat reduced, is given in Carson's, 100th Anniversary of the Constitution of the United States, vol. i. shall have the Qualifications requisite for Electors of the most numerous Branch of the State Legislature. In re Green, 134 U. S., 377. 2 No Person shall be a Representative who shall not have attained to the Age of twenty-five Years, and been seven Years a Citizen of the United States, and who shall not, when elected, be an Inhabitant of that State in which he...

Read Online House Of Representatives Section 2 Guided Answer

Dr. Marcus Rose is a humorist, satirist and alter-ego of a more mild and unassuming person. His books are intended to bring lighthearted relief to an often too serious world--and sometimes to make a political point. Rather than writing something new, or editing and updating something old, he often republishes old works under new humorous titles for comic effect; letting you the reader draw conclusions as to how such solid wisdom of the ages from an unassuming and innocuous and seemingly irrelevant subject --might be applied in a slightly different way. Send Congress a message they will remember. Remind them that this document was written in a way such that "the average" educated American would clearly understand its meaning. Remind them that ignoring it has grave consequences for us, for them, and for our Children. Mail a copy to your Senators & Representatives today!

Considers legislation to exempt certain civilian and military Army and Navy marine personnel from the Performance Rating Act.

"A clear explanation of the workings of the United States government that should be required reading for politically engaged Americans." -- KIRKUS Congressional Procedure explains the legislative and congressional budget processes along with all aspects of Congress. This comprehensive guide to Congress is ideal for anyone who wants to know how Congress really works, including federal executives, attorneys, lobbyists, media and public affairs staff, government affairs, policy and budget analysts, congressional office staff and students. Clear explanation of the legislative process, budget process, and House and Senate business - Legislative process flowchart - Explanation of the electoral college and votes by states - Relationship between budget resolutions and appropriation and authorization bills - Amendment tree and amendment procedures - How members are assigned to committees - Glossary of legislative terms Each chapter concludes with Review Questions. Chapter 1 examines the relationship between the U.S. Constitution and the House and Senate. It discusses Constitutional provisions that directly affect Congress. The makeup, roles and leadership of the House and Senate are compared and contrasted. Congressional committees and their place and power in the House and Senate are explored. Chapter 2 begins with a discussion of why members submit legislation, explains the forms of legislation, and lays out the steps involved in drafting legislation. Bills, joint resolutions, concurrent resolutions and simple House and Senate resolutions and their purposes are separately described. Ends with a flowchart of the legislative process. In Chapter 3, the work of Congressional committees is examined in greater detail: types of committees and their structures; subcommittees; power of the chairs

of committees; hearings, markups and amendment procedure in committee; and the reporting of legislation to the House and Senate floor. Chapters 4 and 5 follow the course of legislation through the respective chambers and some of the more arcane elements of House and Senate floor action. Chapter 4 addresses some of the unique characteristics of the House including the central and crucial role played by the Rules Committee and the special rules it reports. Scheduling, consideration, amending, and passage of legislation through the House is described in detail. Chapter 5 discusses the handling of legislation on the Senate floor, including unique Senate characteristics like the filibuster, the nuclear option, holds, and the filling of the amendment tree. Chapter 6 explains the various procedures for resolving differences in legislation between the Senate and the House. The budget process is addressed in Chapter 7, including appropriations and authorization procedures, the 1974 Budget and Impoundment Control Act and the key role it has played since its adoption, the use of the optional budget reconciliation process, and the somewhat complex but crucial Byrd Rule. Chapter 8 concludes the detail and analysis of Congressional procedure with a number of processes that are not strictly legislative, including a number of Constitutional responsibilities given to Congress such as oversight and investigation and advice and consent, counting of Electoral College ballots, and impeachment. The conclusion, Chapter 9, describes the way in which many of the procedures explained in this book are increasingly being used, and some would say abused, in both the House and the Senate. Originally published to commemorate the bicentennial of the United States Constitution, The Founders' Constitution is arguably the most important of all resources on the principles of the Framers of the American republic. As the editors explain, the work consists of "extracts from the leading works of political theory, history, law, and constitutional argument on which the Framers and their contemporaries drew and which they themselves produced." The documentary sources and inspirations reach to the early seventeenth century and extend through those Amendments to the Constitution that were adopted by 1835 -- that is, through the end of the era of Chief Justice John Marshall of the United States Supreme Court. This set includes: Volume 1: Major Themes by Ralph Lerner; Volume 2: The Preamble Through Article 1, Section 8, Clause 4; Volume 3: Article 1, Section 8, Clause 5, Through Article 2, Section 1; Volume 4: Article 2, Section 2, Through Article 7; Volume 5: Amendments I Through XII.
