She is on a quest for answers; answers that could just get her killed. Six months after the mysterious yacht explosion that killed Cassie Christo's mother and stepbrother, authorities still have no answers to the cause. Searching for closure, Cassie returns to her childhood home on the Pacific Coast of Baja, Mexico, where she launches her own investigation into the accident. She never expected to find an adversary in the man who

had once touched her heart with kindness in her darkest moment. Rio's been fantasizing about reconnecting with Cassie for months. But not here and sure as hell not now. As an undercover agent with U.S. Immigration and Customs Enforcement, he's working the biggest sting operation in all of northern Mexico, and he definitely doesn't have time for the wild attraction he feels for Cassie. Not only is his cover on the line, so is his heart. Because as the end of a yearlong operation draws closer, Rio knows if he tells Cassie the truth about who and what he is, it won't only jeopardize his mission, it may result in him losing her forever. And if he doesn't, his lies and deception could get them both killed.

Alliance politics is a regular headline grabber. When a possible military crisis involving Russia, North Korea, or China rears its head, leaders and citizens alike raise concerns over the willingness of US allies to stand together. As rival powers have tightened their security cooperation, the United States has stepped up demands that its allies increase their defense spending and contribute more to military operations in the Middle East and elsewhere. The prospect of former President Donald Trump unilaterally ending alliances alarmed longstanding partners, even as NATO was welcoming new members into its ranks. *Military Alliances in the Twenty-First Century* is the first book to

Access Free Intimate Enemies Covert Affairs 1 Joan Swan

explore fully the politics that shape these security arrangements - from their initial formation through the various challenges that test them and, sometimes, lead to their demise. Across six thematic chapters, Alexander Lanoszka challenges conventional wisdom that has dominated our understanding of how military alliances have operated historically and into the present. Although military alliances today may seem uniquely hobbled by their internal difficulties, Lanoszka argues that they are in fact, by their very nature, prone to dysfunction.

With a man like him, every mission becomes personal. . . Ever since FBI agent Keira O'Shay started tracking a young boy named Mateo, she's felt a connection even her empathic abilities can't explain. She needs to save Mateo from the cult leader holding him hostage. Nothing can interfere with that--not even the reappearance of Luke Ransom, the hot-as-hell fire captain she's regretted walking out on for three long years. Losing Keira left Luke vulnerable--in every way. When they were together, the powers each possesses were mysteriously enhanced. But it's the sexy, surprising woman beneath the tough exterior that Luke's really missed. Even if she betrayed him utterly. And even if agreeing to help her uncover a government conspiracy means watching his life and his heart go up in flames again. . . Praise for Joan Swan and Fever "Swan's gutsy,

jaw-dropping style will have readers talking!" --New York Times bestselling author Larissa Ione "Smart, emotional and unputdownable." --New York Times bestselling author Stephanie Tyler

The author recounts his life, military career, experiences in Vietnam, and role in the Iran-Contra Affair

He wants her off his base . . . and in his bed. The last thing Senior Officer Gabe Wilcox wants on his base is some CIA officer snooping around except when it turns out to be Lucia Rizzo with her smart mouth, killer curves, and legs he can't wait to have wrapped around his waist. She should be off limits . . . but then, Gabe didn't become a Navy SEAL by backing down. He'll help Lucia with her investigation—and show her his commands will be far more pleasurable behind closed doors. She's there to work . . . not fall for the rock-solid senior officer in charge. CIA Officer Lucia Rizzo has spent her entire career with a singular objective—become the very best the CIA has to offer. There's just one last mission standing in her way: uncover a traitor within the SEALs and recruit the sexy-as-hell SEAL, Gabe Wilcox. From the moment she arrives on base, Gabe, with his cocky grin and cute as hell dimples, proves he's the undeniable distraction she never saw coming. As the investigation heats up, and truths become

Access Free Intimate Enemies Covert Affairs 1 Joan Swan

lies, Gabe and Lucia must work together to answer the only question that matters: When everyone's lying, and lives are at stake, can they even trust each other? Covert Affairs is a standalone romantic suspense, the first book in the interconnected SEALs and CIA series. Each book can be read as a standalone however due to character crossover reading the series in order is suggested. Please note due to detailed intimate scenes, foul language, and violence this series is recommended for mature readers.

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials,

enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Human/vampire relations are in turmoil in a stunning new series by New York Times and USA TODAY bestselling author Susan Krinard. Tensions between human and vampire factions are escalating. Peace hangs in the balance. And like two ill-fated stars, Alexia Fox and Damon are destined to collide. She's a seductive human operative on a mission to infiltrate an illegal vampire colony. He's a vampire and represents everything she loathes—and all that she desires. Their attraction is scorching, immediate...and could explode like the fragile truce they've both been fighting independently to preserve. Now the world's last hope hinges on their ability to work together. As enemies they are doomed, but as allies they just might save the world.

CHOSEN BY TIME MAGAZINE AS ONE OF THE TEN BEST BOOKS OF THE YEAR "ONE HELLISHLY EXCITING RIDE." --Detroit Free Press The '50s are finished. Zealous young senator Robert Kennedy has a red-hot jones to nail Jimmy Hoffa. JFK has his eyes on the Oval Office. J. Edgar Hoover is swooping down on the Red Menace. Howard Hughes is dodging subpoenas and digging up Kennedy dirt. And Castro is mopping up the bloody aftermath of his new communist nation. "HARD-BITTEN. . . . INGENIOUS. . . . ELLROY SEGUES INTO POLITICAL INTRIGUE WITHOUT MISSING A BEAT." --The New York Times In the thick of it: FBI men Kemper Boyd and Ward Littell. They work every side of the street, jerking the chains of made men, street scum, and celebrities alike, while Pete Bondurant, ex-rogue cop, freelance enforcer, troubleshooter, and troublemaker, has the conscience to louse it all up. "VASTLY ENTERTAINING." --Los Angeles Times Mob bosses, politicians, snitches, psychos, fall guys, and femmes fatale. They're mixing up a molotov cocktail guaranteed to end the country's innocence with a bang. Dig that crazy beat: it's America's heart racing out of control. . . . "A SUPREMELY CONTROLLED WORK OF ART." --The New York Times Book Review

"This sweet gay contemporary hits the spot."
--Publishers Weekly Their collections may clash but their hearts are a perfect match.

Moving to eclectic New Hope, Pennsylvania, and running The Beautiful Things Shoppe is a dream come true for elegant and reserved fine arts dealer Prescott J. Henderson. He never agreed to share the space with Danny Roman, an easygoing extrovert who collects retro toys and colorful knickknacks. And yet here they are, trapped together in the quaint shop as they scramble to open in time for New Hope's charming Winter Festival. Danny has spent years leading with his heart instead of his head. The Beautiful Things Shoppe is his chance to ground himself and build something permanent and joyful. The last thing he needs is an uptight snob who doesn't appreciate his whimsy occupying half his shop. It's only when two of New Hope's historic landmarks—each as different as Danny and Prescott—are threatened that a tentative alliance forms. And with it, the first blush of romance. Suddenly, running The Beautiful Things Shoppe together doesn't seem so bad...until Danny's secret threatens to ruin it all. Carina Adores is home to highly romantic love stories where LGBTQ+ characters find their happily-ever-afters. Seasons of New Hope Book 1: The Hideaway Inn Book 2: The Beautiful Things Shoppe
