The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these

Travellers depend upon their family physician and practice nurse for essential advice in planning travel and practitioners need to be able recognise an increasing array of diseases in a new, mobile population. The explosion in international tourism fuelled by fast, cheap transport has meant that the specialty of travel medicine has had to evolve rapidly. Travel medicine now extends well beyond infections in warm climates and includes exposure to new environments, new cultures, new hazards, and new medical problems including emerging and re-emerging infections.
