If you're learning to drive, this book will give you all the skills you need for success! 'Learning to Drive' covers the basics of driving lessons from the beginning; moving off and stopping, changing gears, junction work and manoeuvres, all the way up to and beyond the standard required to pass the driving test. It will help you become a better and more confident driver, with tips on how to develop your skills and improve your planning and anticipation. It even includes lessons on motorway driving which you can practise with your instructor, or to use as a reference for yourself once you have ditched those 'L' plates. You can use this book to learn with a friend or relative; or to reinforce and revise the lessons you receive from your driving instructor. Whichever way you use it, it will help you to become much more than a learner driver. This is one of the Learning to Drive series which

How does this work? Everyone jokes about the ferocity of Maine winters, but driving in them is no laughing matter, which is why in order to get your driver's permit, you need to thoroughly study this: the Maine Driver's Handbook. Even if you've lived in Maine your entire life, there are probably things you don't know, and this latest version, which we pull directly from the Maine Bureau of Motor Vehicles page, contains only the very latest in laws and regulations. Once you feel comfortable with the handbook information, you can start practicing with our free Maine permit practice tests, so that you'll be prepared for the real exam. Finally, it'll be time to schedule the exam, and soon, you'll have a Maine driver's permit of your very own!

Products, technologies, and workplaces change so quickly today that everyone is continually learning. Many of us are also teaching, even when it's not in our job descriptions. Whether it's giving a presentation, writing documentation, or creating a website or blog, we need and want to share our knowledge with other people. But if you've ever fallen asleep over a boring textbook, or fast-forwarded through a tedious e-learning exercise, you know that creating a great learning experience is harder than it seems. In *Design For How People Learn, Second Edition*, you'll discover how to use the key principles behind learning, memory, and attention to create materials that enable your audience to both gain and retain the knowledge and skills you're sharing. Updated to cover new insights and research into how we learn and remember, this new edition includes new techniques for using social
