Tags Romance Short Stories Mississippi Trial 1955 School Project Segregation Short Story Final Chapter It's been fifteen years since I've been to Greenwood, Mississippi, and now that I'm on my way back, I can't help but feel a certain, sadness.

In Mississippi in 1955, a sixteen-year-old finds himself at odds with his grandfather over issues surrounding the kidnapping and murder of a fourteen-year-old African American from Chicago.

As the fiftieth anniversary approaches, there's a renewed interest in this infamous 1955 murder case, which made a lasting mark on American culture, as well as the future Civil Rights Movement. Chris Crowe's IRA Award-winning novel and his gripping, photo-illustrated nonfiction work are currently the only books on the teenager's murder written for young adults.

"Presents a true account of the murder of fourteen-year-old Emmett Till in Mississippi in 1955 and the lasting impact of his death"--

Draws on firsthand testimonies and recovered court transcripts to present a scholarly account of the 1955 lynching of Emmett Till and its role in launching the civil rights movement.

Washington Post 2017 KidsPost Summer Book Club selection! It's Mississippi in the summer of 1955, and Rose Lee Carter can't wait to move north. But for now, she's living with her sharecropper grandparents on a white man's cotton plantation. Then, one town over, an African American boy, Emmett Till, is killed for allegedly whistling at a white woman. When Till's murderers are unjustly acquitted, Rose realizes that the South needs a change . . . and that she should be part of the movement. Linda Jackson's moving debut seamlessly blends a fictional portrait of an African American family and factual events from a famous trial that provoked change in race relations in the United States.

Thurgood Marshall changed American history by challenging it. In the first half of the twentieth century, African Americans were often treated as second-class citizens and subject to Jim Crow laws, which promoted both racism and segregation. This is the world that Marshall grew up in, and he became a lawyer to change it. As the head counsel for the National Association for the Advancement of Colored People (NAACP), he helped take the famous Brown v. Board of Education all the way to the U.S. Supreme Court. And in an outcome surprising even to him, the court unanimously ruled to end segregation in schools. Thurgood Marshall had become a hero.

Emmett Till: The Murder That Shocked the World and Propelled the Civil Rights Movement offers the first, and as of 2018, only comprehensive account of the 1955 murder, the trial, and the 2004-2007 FBI investigation into the case and Mississippi grand jury decision. By all accounts, it is the definitive account of the case. It tells the story of Emmett Till, the fourteen-year-old African American boy from Chicago brutally lynched for a harmless flirtation at a country store in the Mississippi Delta. Anderson utilizes documents that had never been available to previous researchers, such as the trial transcript, long-hidden depositions by key players in the case, and interviews given by Carolyn Bryant to the FBI in 2004 (her first in fifty years), as well as other recently revealed FBI documents. Anderson also interviewed family members of the accused killers, most of whom agreed to talk for the first time, as well as several journalists who covered the murder trial in 1955. Till's murder and the acquittal of his killers by an all-white jury set off a firestorm of protests that reverberated all over the world and spurred on the civil rights movement. Like no other event in modern history, the death of Emmett Till provoked people all over the United States to seek social change. Anderson's exhaustively researched book is also the basis for a forthcoming ABC limited series entitled Women of the Movement, which is being written/executive-produced by Marissa Jo Cerar; directed by Gina Prince-Bythewood, Tina Mabry, Julie Dash, and Kasi Lemmons; and executive-produced by Jay-Z, Jay Brown, Tyran "Ty Ty" Smith, Will Smith, James Lassiter, Aaron Kaplan, Dana Honor, Michael Lohmann, Rosanna Grace, Alex Foster, John Powers Middleton, and David Clark. For over six decades the Till story has continued to haunt the South as the lingering injustice of Till's murder and the aftermath altered many lives. Fifty years after the murder, renewed interest in the case led the Justice Department to open an investigation into identifying and possibly prosecuting accomplices of the two men originally tried. Between 2004 and 2005, the Federal Bureau of Investigation conducted the first real probe into the killing and turned up important information that had been lost for decades. Anderson covers the events that led up to this probe in great detail, as well as the investigation itself. This book will stand as the definitive work on Emmett Till for years to come. Incorporating much new information, the book demonstrates how the Emmett Till murder exemplifies the Jim Crow South at its nadir. The author accessed a wealth of new evidence. Anderson made a dozen trips to Mississippi and Chicago over a ten-year period to conduct research and interview witnesses and reporters who covered the trial. In Emmett Till, Anderson corrects the historical record and presents this critical saga in its entirety.

#1 NEW YORK TIMES BESTSELLER In 1970, Willie Traynor comes to Clanton, Mississippi, in a Triumph Spitfire and a fog of vague ambitions. Within

a year, the twenty-three-year-old finds himself the owner of Ford County's only newspaper, famous for its well-crafted obituaries. While the rest of America is in the grips of turmoil, Clanton lives on the edge of another age—until the brutal murder of a young mother rocks the town and thrusts Willie into the center of a storm. Daring to report the true horrors of the crime, Willie makes as many friends as enemies in Clanton, and over the next decade he sometimes wonders how he got there in the first place. But he can never escape the crime that shattered his innocence or the criminal whose evil left an indelible stain. Because as the ghosts of the South's past gather around Willie, as tension swirls around Clanton, men and women who served on a jury nine years ago are starting to die one by one—as a killer exacts the ultimate revenge. BONUS: This edition includes an excerpt from John Grisham's *The Litigators*.

The world knows the story of young Emmett Till. In August 1955, the fourteen-year-old Chicago boy supposedly flirted with a white woman named Carolyn Bryant, who worked behind the counter of a country store, while visiting family in Mississippi. Three days later, his mangled body was recovered in the Tallahatchie River, weighed down by a cotton-gin fan. Till's killers, Bryant's husband and his half-brother, were eventually acquitted on technicalities by an all-white jury despite overwhelming evidence. It seemed another case of Southern justice. Then details of what had happened to Till became public, which they did in part because Emmett's mother, Mamie Till-Mobley, insisted that his casket remain open during his funeral. The world saw the horror, and Till's story gripped the country and sparked outrage. Black journalists drove down to Mississippi and risked their lives interviewing townsfolk, encouraging witnesses, spiriting those in danger out of the region, and above all keeping the news cycle turning. It continues to turn. In 2005, fifty years after the murder, the FBI reopened the case. New papers and testimony have come to light, and several participants, including Till's mother, have published autobiographies. Using this new evidence and a broadened historical context, Elliott J. Gorn delves more fully than anyone has into how and why the story of Emmett Till still resonates, and always will. Till's murder marked a turning point, Gorn shows, and yet also reveals how old patterns of thought and behavior endure, and why we must look hard at them.

Tass Hilson--the girlfriend of Emmett Till, who in real-life was a black boy murdered by a group of whites--leaves the town of Money, Mississippi, after Emmett's murder and relocates to Detroit where she lives out her life for 40 years, until something calls her back to Money, where she finds Emmett's spirit ready to rekindle their love. Simultaneous. 10,000 first printing.
