(Many more non sequiturs follow.) I haven't read the John le Carré novel that inspired this incoherent mess, but I have to imagine the old spymaster connected the dots better than they are here.

From the New York Times bestselling author of A Legacy of Spies. In this exquisitely told novel, John le Carré shows us once again his acute understanding of the world we live in and where power really lies. In the wake of the collapse of Lehman Brothers and with Britain on the brink of economic ruin, a young English couple takes a vacation in Antigua. There they meet Dima, a Russian who styles himself the world's Number One money-launderer and who wants, among other things, a game of tennis. Back in London, the couple is subjected to an interrogation by the British Secret service who also need their help. Their acquiescence will lead them on a precarious journey through Paris to a safe house in Switzerland, helpless pawns in a game of nations that reveals the unholy alliances between the Russian mafia, the City of London, the government and the competing factions of the British Secret Service.

In John le Carré's electrifying novel Our Kind of Traitor, innocents abroad are drawn into the darkest recesses of the financial world. Britain is in the depths of recession. A left-leaning young Oxford academic and his barrister girlfriend take an off-peak holiday on the Caribbean island of Antigua. By seeming chance they bump into a Russian millionaire called Dima who owns a peninsula and a diamond-encrusted gold watch. He also has a tattoo on his right thumb, and wants a game of tennis. What else he wants propels the young lovers on a tortuous journey through Paris to a safe house in the Swiss

Alps, to the murkiest cloisters of the City of London and its unholy alliance with Britain's Intelligence Establishment. 'If you want to know about the state of Britain today, forget the Booker shortlist. Just read John le Carré's latest thriller' Evening Standard 'Few recent plays have had dialogue as good, and few recent literary novels can boast a set of characters so vividly imagined. Our Kind of Traitor is a teasing, beguiling, masterly performance' Sunday Times

Britain is in the depths of recession. A left-leaning young Oxford academic and his barrister girlfriend take an off-peak holiday on the Caribbean island of Antigua. By seeming chance they bump into a Russian millionaire called Dima who owns a peninsula and a diamond-encrusted gold watch. He also has a tattoo on his right thumb, and wants a game of tennis. What else he wants propels the young lovers on a tortuous journey through Paris to a safe house in the Swiss Alps, to the murkiest cloisters of the City of London and its unholy alliance with Britain's Intelligence Establishment.

"In the wake of the collapse of Lehman Brothers and with Britain on the brink of economic ruin, a young English couple takes a tennis vacation in Antigua. There they meet Dima, a Russian who styles himself the world's number one money launderer. Dima wants, among other things, a game of tennis. Back in London, the couple is subjected to an all-night interrogation by the British Secret Service, which also needs their help. Their acquiescence will lead them on a precarious journey through Paris to a safe house in Switzerland, helpless pawns in a game of nations that reveals the unholy alliances between the Russian mafia, the City of London, the government and the competing factions of the British Secret Service"--Cover, p. 2.

From the New York Times bestselling author of A Legacy of Spies. "A novel that beckons us beyond any and all expectations."--Jonathan Yardley, The Washington Post A counter-terrorist operation, code-named Wildlife, is being mounted on the British crown colony of Gibraltar. Its purpose: to capture and abduct a high-value jihadist arms buyer. Its authors: an ambitious Foreign Office Minister, a private defense contractor who is also his bosom friend, and a shady American CIA operative of the evangelical far-right. So delicate is the operation that even the Minister's personal private secretary, Toby Bell, is not cleared for it. Three years later, a disgraced Special Forces Soldier delivers a message from the dead. Was Operation Wildlife the success it was cracked up to be--or a human tragedy that was ruthlessly covered up? Summoned by Sir Christopher "Kit" Probyn, retired British diplomat, to his decaying Cornish manor house, and closely observed by Kit's daughter, Emily, Toby must choose between his conscience and duty to his Service. If the only thing necessary for the triumph of evil is that good men do nothing, how can he keep silent?

Smuggled into Hamburg, Issa, a young Russian man, forms an alliance with Annabel, a civil rights lawyer, and Tommy Brue, scion of a failing British bank, as they become victims of rival intelligence operations in the War on Terror.

Full of politics, heart, and the sort of suspense that nobody in the world does better, The Mission Song turns John Le Carre's laser eye for the complexity of the modern world on turmoil and conspiracy in Africa. Abandoned by both his Irish father and Congolese mother, Bruno Salvador has long looked for someone to guide his life. He has found it in Mr. Anderson of British Intelligence. Bruno's African upbringing, and fluency in numerous African languages, has made him a top interpreter in London, useful to businesses, hospitals, diplomats -- and spies. Working for Anderson in a clandestine facility known as the "Chat Room," Salvo (as he's known) translates intercepted phone calls, bugged recordings, and snatched voice mail messages. When Anderson sends him to a mysterious island to interpret during a secret conference between Central African warlords, Bruno thinks he is helping Britain bring peace to a bloody corner of the world. But then he hears something he should not have... By turns thriller, love story, and comic allegory of our times, The Mission Song is a crowning achievement, recounting an interpreter's heroically naive journey out of the dark of Western hypocrisy and into the heart of lightness.

From the New York Times bestselling author of Tinker, Tailor, Soldier, Spy; Our Kind of Traitor; now a miniseries on AMC starring Alexander Skarsgard, Michael Shannon, and Florence Pugh. "You want to catch the lion, first you tether the goat." On holiday in Mykonos, Charlie wants only sunny days and a brief escape from England's bourgeois dreariness. Then a handsome stranger lures the aspiring actress away from her pals--but his intentions are far from romantic. Joseph is an Israeli intelligence officer, and Charlie has been wooed to flush out the leader of a Palestinian terrorist group responsible for a string of deadly bombings. Still uncertain of her own allegiances, she debuts in the role of a lifetime as a double agent in the "theatre of the real." Haunting and deeply atmospheric, John le Carré's The Little Drummer Girl is a virtuoso performance and a powerful examination of morality and justice. With an introduction by the author.

"The best English novel since the war." -- Philip Roth Over the course of his seemingly irreproachable life, Magnus Pym has been all things to all people: a devoted family man, a trusted colleague, a loyal friend--and the perfect spy. But in the wake of his estranged father's death, Magnus vanishes, and the British Secret Service is up in arms. Is it grief, or is the reason for his disappearance more sinister? And who is the mysterious man with the sad moustache who also seems to be looking for Magnus? In A Perfect Spy, John le Carré has crafted one of his crowning masterpieces, interweaving a
