Samira ' s Eid is an interesting book containing two languages – English and Urdu. It tells the story of two Muslim children (Samira and Hassan) and their experience of Ramadan and Eid. However, it is Hassan ' s first time fasting and he is a little anxious, but is reassured by his mother about what he might expect and why Muslims fast.

Samira's Eid by Nasreen Aktar - Goodreads

Samira ' s Eid An excellent dual language picture book to introduce during the month of Ramadan for pupils at Key Stage 1 and 2. This book is useful as a starting point for discussion and project work in Religious Education as well as reading material for English and Languages.

children learn to use English as an additional language in both speech and writing. The book describes practical strategies and activities which help bilingual children to become competent in the formal academic language required by the curriculum. It is a useful practical primary resource of relevance the whole English-speaking world, particularly at a time when literacy is seen as more vital a skill than ever but when the distinctive needs, strengths and skills bilingual children seem to be largely ignored in official policy.

All students need access to books in which they can see themselves--not just their physical appearance, but their culture and language, as well. "Multicultural Literature and Response: Affirming Diverse Voices" was written to help teachers and librarians find and use the best multicultural books in the service of reading comprehension and more. Underscoring the necessity of selecting quality literature that authentically, sensitively, and accurately portrays different groups, the book defines multicultural literature and provides a strong argument for its importance in schools and libraries. Expert contributors guide users to multicultural authors and illustrators who portrays U.S. ethnic and cultural groups, and they suggest ways to integrate this literature with writing, fluency development, storytelling, and audiovisuals. Extensive lists of books and websites that feature multicultural literature, as well as of authors, illustrators, and publishers of multicultural literature, make it easy to include such works in programs across the curriculum.

not their first language creates unique challenges and opportunities for teachers. This book provides an accessible guide to multilingual teaching using Linguistically Appropriate Practice (LAP) in diverse classrooms worldwide. It is firmly grounded in the latest research on multilingual learners and takes a realistic approach to teaching in linguistically diverse schools today. The author argues that successful multilingual teaching is an option for all teachers, and that it has benefits for every child in the classroom, as well as the wider school community. The book: - provides profiles of LAP in action around the world; - explains the relationship between theory and multilingual practice; - lays out the characteristics of the LAP teacher and the LAP classroom; - discusses challenges that have been identified by teachers using LAP in their classrooms; - provides a step-by-step guide to implementing and enriching LAP; - includes resources to support multilingual teaching and learning. This book is an invaluable support and inspiration for practising teachers and trainee teachers. It will help them transform their classrooms into multilingual environments where all children have equal opportunity to participate, learn and grow.
