EDWARDS Dept. of English Wayne State University Detroit, MI 48202 SMFC is a welcome addition to the literature on code-switching (CS). The subject is not new, of course.

WALTER F. EDWARDS

Scholars of conversation analysis such as Peter Auer and Li Wei argue that the social motivation behind code-switching lies in the way code-switching is structured and managed in conversational interaction; in other words, the question of why code-switching occurs cannot be answered without first addressing the question of how it occurs. Using conversation analysis (CA), these scholars focus ...
