Awakening in a bleak landscape, Cass Dollar vaguely recalls enduring something terrible. Having no idea how many days—or weeks—have passed, she slowly realizes the horrifying truth: her daughter, Ruthie, has vanished. And with her, nearly all of civilization. Instead of winding through the once-lush hills, the roads today see only cannibalistic Beaters—people turned hungry for human flesh by a government experiment gone wrong. In a broken, barren California, Cass will undergo a harrowing quest to get Ruthie back. Few people trust an outsider—much less one who bears the telltale scars of a Beater attack—but she finds safety with an enigmatic outlaw, Smoke. And she'll need him more than ever when his ragged band of survivors learn that she and Ruthie have become the most feared, and desired, weapons in a brave new world....

They were young, brilliant, and bold. They set out to conquer the world. But the world had other plans for them. Bestselling author Susan Jane Gilman's new memoir is a hilarious and harrowing journey, a modern heart of darkness filled with Communist operatives, backpackers, and pancakes. In 1986, fresh out of college, Gilman and her friend Claire yearned to do something daring and original that did not involve getting a job. Inspired by a place mat at the International House of Pancakes, they decided to embark on an ambitious trip around the globe, starting in the People's Republic of China. At that point, China had been open to independent travelers for roughly ten minutes. Armed only with the collected works of Nietzsche, an astrological love guide, and an arsenal of bravado, the two friends plunged into the dusty streets of Shanghai. Unsurprisingly, they quickly found themselves in over their heads. As they ventured off the map deep into Chinese territory, they were stripped of everything familiar and forced to confront their limitations amid culture shock and government surveillance. What began as a journey full of humor, eroticism, and enlightenment grew increasingly sinister-becoming a real-life international thriller that transformed them forever. Undress Me in the Temple of Heaven is a flat-out page-turner, an astonishing true story of hubris and redemption told with Gilman's trademark compassion, lyricism, and wit.

DETAILED INFORMATION ON HOW TO... • Write .NET applications using Entity Framework 5.0 • Use all three of the supported Entity Framework workflows • Create, extend, and query arbitrarily complex data models • Use the Entity Framework Fluent API and T4 templates to create truly provider-independent data models

For the first time in 3,000 years, a faith tradition that was deeply cherished by the people of Ancient Egypt is manifesting in the world once again to touch the heart of humanity through the timeless wisdom teachings called the Djosar Ma Nahah Nata. These holy scriptures offer to the world the great faith tradition of Nuhati-Am-Nutjeru, and they are an answered prayer for those who yearn to establish a personal relationship with the Nutjeru, the gods of the Ancient Egyptians. These great revelations are filled with devotional hymns, songs, precepts, illuminations, and epics. Although the Holy Natas are rich with the traditions of Ancient Egypt, they touch upon many of the global issues of today by giving instructions on spiritualizing our lives and living harmoniously in today's busy world. Above all else, the Djosar Ma Nahah Nata is a testimony that the gods that inspired the Ancient Egyptians are still very much living and active in the lives of their followers.
