Take your time and build a bridge. It takes longer and doesn't look particularly "sexy" but this is the way to build things that last — not by taking a giant leap but by building a bridge. Build a bridge before you take a leap.

Don't Take the Leap, Build a Bridge to Your Dreams

Mind you, it's essentially taking up one entire wall in storage, but I was confident that was worth the compromise. When I redesigned my basement, I negotiated with our contractor regarding the game room. I realized that, given that I had the plans already, so it would be a simple matter of asking my contractor to build the table too.
