Across the realms of multimedia production, information design, web development, and usability, certain truisms are apparent. Like an Art of War for design, this slim volume contains guidance, inspiration, and reassurance for all those who labor with the user in mind. If you work on the web, in print, or in film or video, this book can help. If you know someone working on the creative arena, this makes a great gift. Funny, too.

In 1954 in the segregated South, Emily Chandler's childhood innocence is shattered when she and her brother discover a young black woman alone and dying in childbirth. Emily confronts the tragedy when she returns to her roots many years later to attend the funeral of a beloved nanny and finds herself the target of a stalker. As the saga of secrets, tragedy and discovery unfolds she enlists the help of Adelle Jones -- the family laundress and part-time voodoo practitioner -- in the search for blues musician Charlie Dixon, the nanny's missing son. This novel, set in the South Carolina Lowcountry, brings to life the eclectic personalities and explosive issues that continue to shape the New South.

Don Newman's first volume of Savannah centric poetry reflects the close personal relationship between poet and subject often found in work dedicated to a particular place. Such intimate subjectivity may seem lofty at times. But this Savannah native has a way of bringing grandiose notions of his hometown down to earth. Here, the author's regional sensibilities—together with his stretch toward the universal—offer the reader a unique perspective and a tour of Savannah unattainable during a typical day of sightseeing. While by no means a comprehensive poetic look at the city, Newman's Little Poetry Book of Savannah will surely augment the traveler's backpack, give visitors a distinctive literary keepsake, and make the perfect gift for those back home who would like an authentic little piece of Savannah. Meditative, descriptive, fun, quirky, and enjoyably honest, Newman bares parts of his soul in this down-to-earth, head-in-the-clouds "poetry for everyone."
