championship season and says goodbye to a lifetime of suffering. At least for now. "The Red Sox won the World Series." To Citizen No. 1 of Red Sox Nation, those seven words meant "No more 1918 chants. No more smug glances from Yankee fans. No more worrying about living an entire life -- that's 80 years, followed by death without seeing the Red Sox win a Series." But once he was able to type those life-changing words, Bill Simmons decided to look back at his Sports Guy columns for the last five years to find out how the miracle came to pass. And that's where the trouble began. Why didn't he see it coming? Why didn't it happen sooner? What was the key deal, the lucky move, the funny bounce, the sign from above that he failed to spot? Pretty soon, The Sports Guy was second-guessing himself, rewriting history, sniping at his own past predictions, pounding the table -- that's what sports guys do, right And doing so, he let himself get sidetracked by the suffering of the Boston Bruins, frustrated by the false promise of the Celtics -- and driven into a state of ecstasy by the dynastic New England Patriots. The result is Now I Can Die in Peace, a hilarious and fresh new look at some of the best sportswriting in America, with sharp critical commentary (and fresh insights) from the guy who wrote it in the first place.

Explores the trend of teenage basketball stars skipping college and making the transition to playing professionally, resulting in the 2005 age limit instituted by the NBA, mandating that all players must attend college or another developmental program for at least a year.

Robert Candell is devastated when his close friend and mentor, Jack Marsel, suddenly dies. Robert is soon hired by a mysterious organization known only as "the group" and learns that

Access Free The Book Of Basketball Nba According To Sports Guy Bill Simmons

his friend Jack had secretly worked for this mysterious group. Robert and the group work to stop the corporate greed that is destroying our environment and hope to provide a better world for our future generations. When disaster strikes, due to corporate greed, Robert and the group must work to make those corporate executives who they hold responsible for the disaster pay for their actions and send a message to other corporate executives that the destruction of the planet and our ecosystems will no longer be tolerated. Twist and turns take the reader through secret groups, clandestine meetings, international intrigue and adventure, corporate greed, political corruption, earth changes, and global climate change. Who is this mysterious group that has the ability and the determination to take on the government, corporations, and the global elite? What is the Fourth Star?

This book tells the story of the Eastern Professional Basketball League, a pro basketball institution for over 30 years. The league featured top players who just couldn't make the NBA--many because of scandals or because of unofficial quotas on Black players--with games played in tiny gyms across the northeast.

New York Times bestselling author John Grisham takes you to a different kind of court in his first basketball novel. Samuel "Sooley" Sooleymon is a raw, young talent with big hoop dreams...and even bigger challenges off the court. In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been on an airplane. The opportunity to be scouted by dozens of

Access Free The Book Of Basketball Nba According To Sports Guy Bill Simmons

college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it ' s just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn ' t immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and soon he ' s dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, Sooley showcases John Grisham ' s unparalleled storytelling powers in a whole new light. This is Grisham at the top of his game.

Perfect for fans of Moneyball and The Book of Basketball, this vivid, thoroughly entertaining, and well-researched book explores the NBA ' s surge in popularity in the 1970s and 1980s and its transformation into a global cultural institution. Far beyond simply being a sports league, the NBA has become an entertainment and pop culture juggernaut. From all kinds of team logo merchandise to officially branded video games and players crossing over into

Access Free The Book Of Basketball Nba According To Sports Guy Bill Simmons

reality television, film, fashion lines, and more, there is an inseparable line between sports and entertainment. But only four decades ago, this would have been unthinkable. Featuring writing that leaps off the page with energy and wit, journalist and basketball fan Pete Croatto takes us behind the scenes to the meetings that lead to the monumental American Basketball Association–National Basketball Association merger in 1976, revolutionizing the NBA ’ s image. He pays homage to legendary talents including Julius “ Dr. J ” Erving, Magic Johnson, and Michael Jordan and reveals how two polar-opposite rookies, Larry Bird and Magic Johnson, led game attendance to skyrocket and racial lines to dissolve. Croatto also dives into CBS ’ s personality-driven coverage of key players, as well as other cable television efforts, which launched NBA players into unprecedented celebrity status. Essential reading whether you ’ re a casual or longtime fan, From Hang Time to Prime Time is an enthralling and entertaining celebration of basketball history.
