Inspector Alan Grant searches for the identity of a man killed in the line at a theater and for the identity of the killer—whom no one saw. A long line had formed for the standing-room-only section of the Woffington Theatre. London's favorite musical comedy of the past two years was finishing its run at the end of the week. Suddenly, the line began to move, forming a wedge before the open doors as hopeful theatergoers nudged their way forward. But one man, his head sunk down upon his chest, slowly sank to his knees and then, still more slowly, keeled over on his face. Thinking he had fainted,

a spectator moved to help, but recoiled in horror from what lay before him: the man in the queue had a small silver dagger neatly plunged into his back. With the wit and guile that have made Inspector Grant a favorite of mystery fans, the inspector sets about discovering just how a murder occurred among so many witnesses, none of whom saw a thing.

The Complete Inspector Grant includes all five of the Inspector Alan Grant Mysteries by Josephine Tey. Josephine Tey - Inspector Alan Grant Mysteries: The Man in the Queue, A Shilling for Candles, To Love and Be Wise, The Daughter of Time, The Singing Sands. Alan Grant, is clever but very ordinary in many ways, save his dogged determination to find the truth. He is kind and fair and worries about whether he has found the right solutions, persevering

when others think it is pointless. He uses his position to ensure that justice prevails, often against the odds.

A witty and sophisticated mystery featuring bestselling author Josephine Tey's popular Inspector Alan Grant, a beloved character created by a woman considered to be one of the greatest mystery writers of all time. Literary sherry parties were not Alan Grant's cup of tea. But when the Scotland Yard Inspector arrived to pick up actress Marta Hallard for dinner, he was struck by the handsome young American photographer, Leslie Searle. Author Lavinia Fitch was sure her guest "must have been something very wicked in ancient Greece," and the art colony at Salcott St. Mary would have agreed. Yet Grant heard nothing more of Searle until the news of his disappearance. Had Searle drowned by accident or could he

Inspector Grant a favorite of mystery fans, the inspector sets about discovering just how a murder occurred among so many witnesses, none of whom saw a thing.

A festive atmosphere envelops the line of people waiting for one of the last showings of a popular London musical comedy. Excitement is so big, and crowd is so large that people are being carried rather than walking. As the line eventually reaches the box office one man drops on his knees and slowly spreads on the floor. People jump to help, thinking he had fainted, but get horrified when they see a knife stuck in his back. There are so many witnesses, but nobody saw anything and nobody can tell when it happened as the man has been held upright for a while, carried by the moving crowd. Inspector Alan Grant of Scotland Yard is summoned to investigate the case.

Known for his wit and guile Inspector Grant will have to deal with a lot of false leads and clues, which will take him all the way to Scotland, in order to solve this mysterious murder case.

Alan Grant, Scotland Yard Inspector is feeling bored while confined to bed in hospital with a broken leg. Marta Hallard, an actress friend of his, suggests that he should amuse himself by researching a historical mystery. She brings him some pictures of historical characters, aware of Grant's interest in human faces. He becomes intrigued by a portrait of King Richard III. He prides himself on being able to read a person's character from his appearance, and King Richard seems to him a gentle, kind and wise man. Why is everyone so sure that he was a cruel murderer? With the help of other friends and acquaintances, Grant investigates Richard's life

and the case of the Princes in the Tower, testing out his theories on the doctors and nurses who attend to him. Grant spends weeks pondering historical information and documents with the help of Brent Carradine, a likable young American researcher working in the British Museum. Using his detective's logic, he tries to come to the conclusion whether the claim of Richard being a murderer is a fabrication of Tudor propaganda, or was he really a monstrous hunchback. The Daughter of Time was voted greatest mystery novel of all time by the Crime Writers' Association in 1990.
