3779 Words16 Pages. Introduction In the text the manager's bookshelf: A Mosaic of Contemporary views provides just what the title states, a "mosaic" of different management theories summarized from a select few best-selling management books. Before the text goes into the detail of the theories it explains how the authors determine a "best seller". A best seller is based on "market acceptance, provocativeness, distinctiveness, representativeness and the authors reputation" (Jon ...
