[Toward a New Interior | Abrams & Chronicle Books](#)

In Toward a New Interior, Professor Lois Weinthal envisions a future where interior design is treated with parity to architecture and industrial design, a future with a new interior. A reader for architects and interior designers, Weinthal has carefully curated a collection of forty-eight essays that will form the foundation of interior design theory and shape future interior space.

Toward a New Interior. Interior design, as a relatively young discipline within the academic world of design, has historically been interpreted as an extension of other fine arts. Narratives exist, but they all too often treat interior design as a function of architecture or display rather than experience. An independent interior design theory is virtually nonexistent.
