This book steers buyers through the the confusion and anxiety of new and used vehicle purchases unlike any other car-and-truck book on the market.

"Dr. Phil,"
Canada's best-

Online Library Used Manual

known automotive expert for more than forty-five years, pulls no punches.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief

Online Library Used Manual

that Popular

Science and our
readers share:

The future is
going to be
better, and
science and
technology are
the driving
forces that will
help make it
better.

This volume
