Les Marees Terrestres

The world's most extensive list -- by region -- of sunken cities and megalithic underwater sites currently known. Karen Mutton begins by discussing some of the causes for sunken ruins: super-floods; volcanoes; earthquakes, plate tectonics and other theories. She then discusses Plato's Atlantis and the various areas of the Mediterranean and Atlantic that have been proposed as the locations for that lost civilisation. The final chapters are on ruins and structures in lakes and inland seas, plus a brief look at modern and medieval sunken ruins. Locales include Cadiz; Morocco; Alexandria; The Bay of Naples; Libya; Phoenician and Egyptian sites; Roman era sites; Yarmuta, Lebanon; Cyprus; Malta; Thule & Hyperborea; Carnac, Brittany; Isle of Wight; Canaries and Azores; Bahamas; Cuba; Bermuda; Mexico; Peru; Micronesia; California; Japan; Indian Ocean; Sri Lanka Land Bridge; India; Sumer; and inland lakes in Scotland, Russia, Iran, China, Wisconsin, Florida and more.

This story details one couple's journey from the agonizing despair of infertility to the joy of open adoption.

Junior Theory Level 1 - a foundational music theory book specifically designed for children aged 4-7.

An expression of emotions, sincere and simple, from the core of my heart to touch the strings of your heart. This emotional journey is painted with colours of joy, love, sunshine, faith and hope. The emotions are uncomplicated, so is the language.

This volume of original stories is all for furry feline friends. A unique collection of fantastical cat tales.
